To whom it may concern,

I have known Dr. Niels Christian Hvidt for sometime and I am familiar with his considerable work on *Christian Prophecy*.

Dr. Hvidt has informed me of his desire to engage in extensive research on a theology of miracles. As a bishop of the Greek Orthodox Church in America, I am intrigued by this project and hope that Dr. Hvidt will be able to fulfill this desire and produce a significant contribution to theological thought in our time.

I fully support Dr. Hvidt's application for research funding, and will be pleased to offer my services as a reviewer of his work.

Sincerely,

+ 

† Bishop Dimitrios of Xanthos
